Susan Thornton has been running the family business - Thornton's Victuallers - in the heart of Manorhamilton since 1979! Today she is joined by son **Damien Thornton** - known locally as 'Babe' - who has just launched his own brand of gourmet honey & leek sausages called 'Babe's Sausages'! Just one of three butchers in town, Susan sources her meats locally and makes sure that there is a smile, a laugh and great chat for all who call by.
