meet teresa + dympna

The apple doesn't fall far from the tree... This is most certainly the case for sisters **Teresa & Dympna Mawn**. Raised upstairs from the shop their mother Mary opened over 40 years ago, the pair didn't have too far to go to follow their dream. While you can no longer get your net curtain in Manor Boutique, there are still many reasons to visit – a huge selection of fashion brands including Irish labels, a warm welcome and fabulous style!
