## meet john

**John McManus** runs MacManus Pharmacy in the centre of town, and is celebrating 25 years in business this year. A longtime sponsor of the Glencar Manorhamilton GAA club, the family business name is now also to be seen on the Leitrim GAA's senior men's jersey. Very much a family run business, John, his wife Maria and their five children all help out whenever they can. MacManus Pharmacy is just one of three pharmacies in Manorhamilton.
